

CAMP GUATEMALA

Looking for a short-term mission trip to a developing country? Well you found it. We are looking for volunteers to serve one week, two or all three weeks at our camp for people with disabilities in Chimaltenango, Guatemala. This will be our 9th camp at this site and we anticipate many who will be coming from all over Guatemala to join together in a spirit of celebration. The camp dates are **November 16-December 4, 2009**. The first week teens are invited, the second, children, and the third week adults.

If you have a medical background, nurses are always needed. No other special skills are needed, not even Spanish, although it maybe helpful in your time there. Volunteers are required to fill out an application form, which will be provided if you are interested in this project. The cost is reasonable and the experience is priceless.

Demonstrating the love of Christ is what we do, giving out bundles of hope and encouragement to a population who needs it, and in return receive far more than you could ever imagine. **Come join us in this meaningful mission experience!**
